

CamDigiKey

Easy yet Secure Mobile
Authentication Service

CamDigiKey is the Cambodian government's most advanced mobile single sign-on service you can trust.

www.camdx.gov.kh

www.registrationservices.gov.kh

Register a CamDigiKey Account

1

Install and open CamDigiKey app.

2

Fill out all **required information**. You will need to **input verification code** sent through **mobile phone and email**.

3

Submit ID card/passport and selfie photo. Create a 6-digit pin, which you will use to authenticate yourself on any digital government service's platform, operated on CamDX.

Log in to a Public Service

1

Visit any **public services operated on CamDX**, i.e., www.registrationservices.gov.kh.

2

Open **CamDigiKey** to **scan the QR code** of the portal and **provide the PIN** to login.
